ABET Center

May 2014

Introduction

The Quality and Accreditation Unit (ABET centre) has recently launched the Alumni Survey 2014 online. The survey has targeted the alumni of the Faculty of Engineering and Information Technology at An-Najah National University, who graduated from 2006 to 2013.

The survey aimed at reviewing the Program Educational Objectives (PEOs) of our Engineering Programs to meet the international standards of Quality (ABET), and taking feedback and information from our Alumni about their employability, career progression, and endeavours.

Executive Summary

A total number of 441 alumni responded to the survey, 22 of whom are from the Electrical Engineering Program with percentage of 6% of all programs.

Most of the respondents were from the graduated in the academic years of 2009, 2012 and 2013; also most of the respondents were males.

The survey shows that 14% of the respondents pursued graduate studies (master, PhD) or currently pursuing for it.

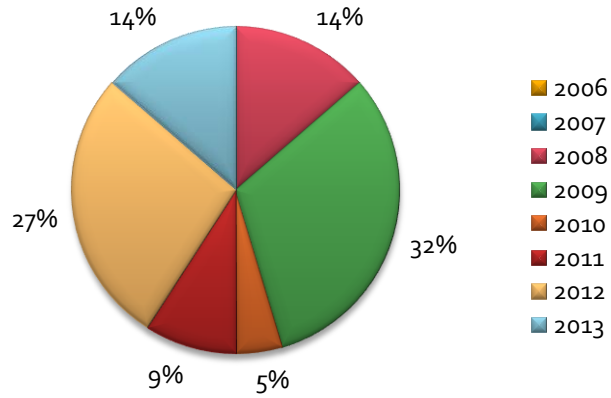

Moreover, 55% of the respondents are employed, with 42% work inside Palestine.

Electrical Engineering Program Alumni are employed in variety of professional positions that are widely spread among the employment sector of 42 % as Project Engineer, 17% as Sales Engineer.

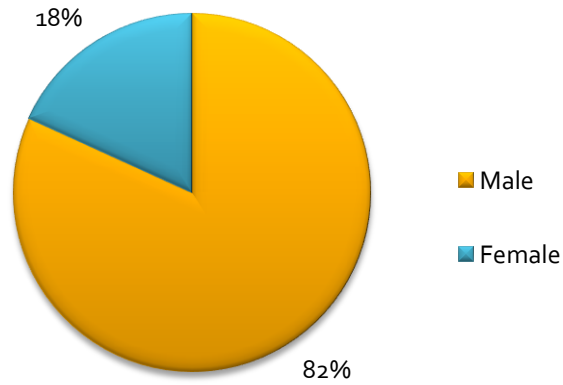

High percentages of Alumni are satisfied with the newly rephrased Electrical Engineering Program Educational Objectives (PEOs).

Results & Findings

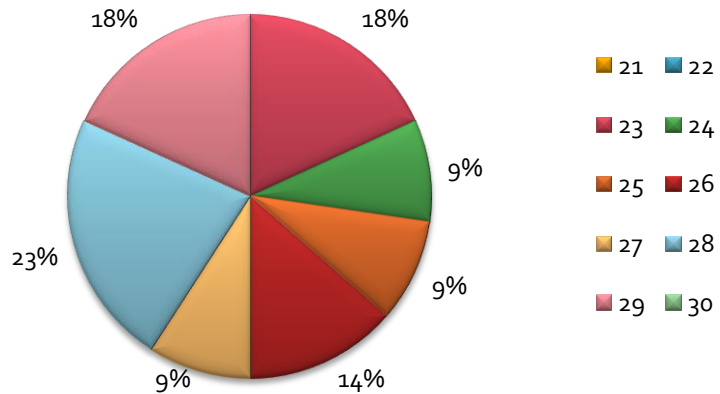

Year of graduation

Gender

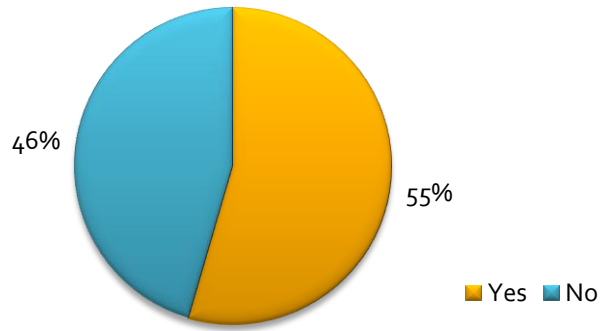

Age

Demographic

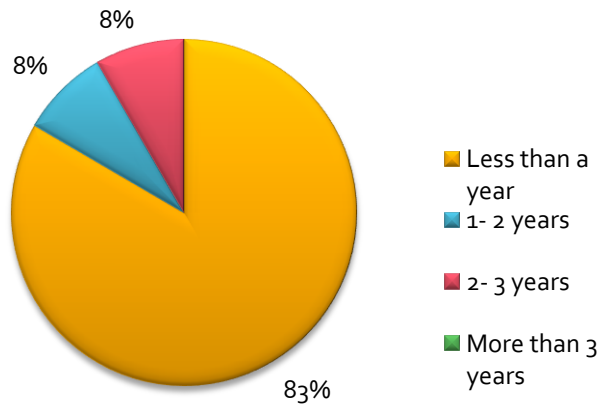

- 32% of the respondents graduated in the academic year of 2009.
- 82% of them were males and 18% were female.
- 64% of the respondents between the ages 26 to 29.

Are you employed now?

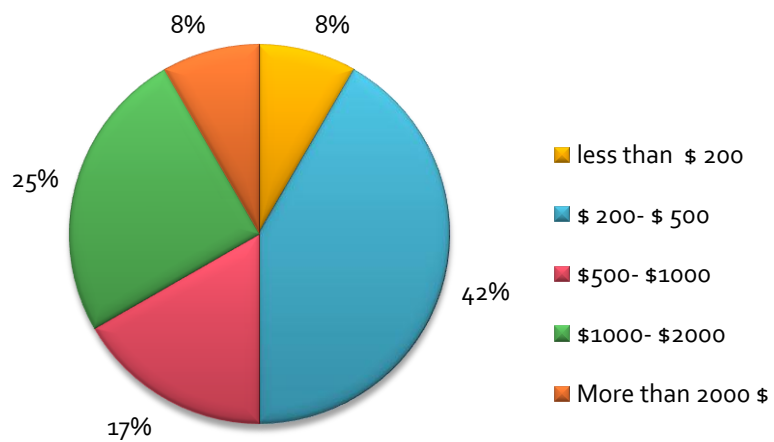

Employed	Yes	No
Female	25%	75%
Male	61%	39%

Period between graduation and first work

Your average monthly salary after graduation (first work).

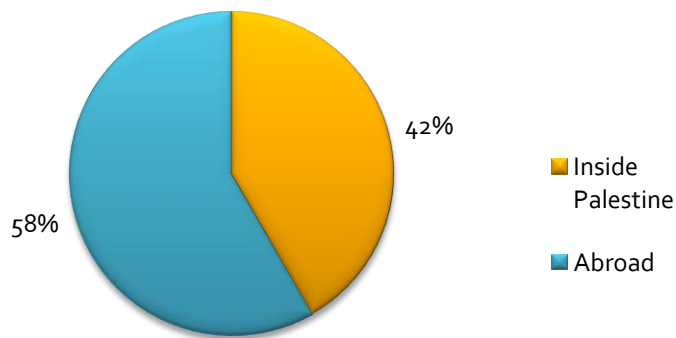

Employability

- 83% of the respondents took less than a year to find their first job.
- 25% of the respondents have an average first monthly salary between 1000-2000\$.

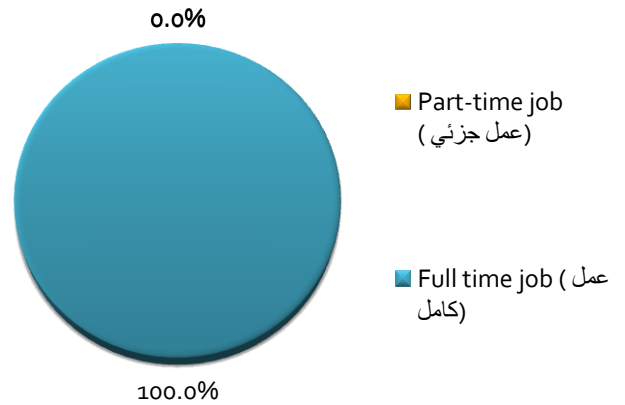

Employability Status

- 55% of the respondents are employed.
- 100% of the respondents have a full time job.
- 42% of the respondents work inside Palestine.
- 92% of the respondents work at nongovernmental organization.
- 55% of the respondents have a monthly salary more than 2000\$.
