## Quality and Accreditation Unit-ABET Center

### Introduction

The Quality and Accreditation Unit (ABET centre) launched the Employer Survey 2014 online in February 2014. The survey has targeted the employers of the Chemical Engineering Program locally and abroad to assess and improve the quality of the educational programs, and to involve them with the reviewing process of the Program Educational Objectives, and taking feedback from them about our alumni.

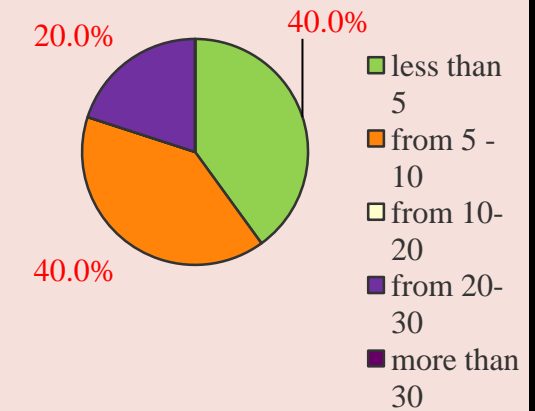

## Chemical Engineering Program Employer Survey results 2014

### Executive summary

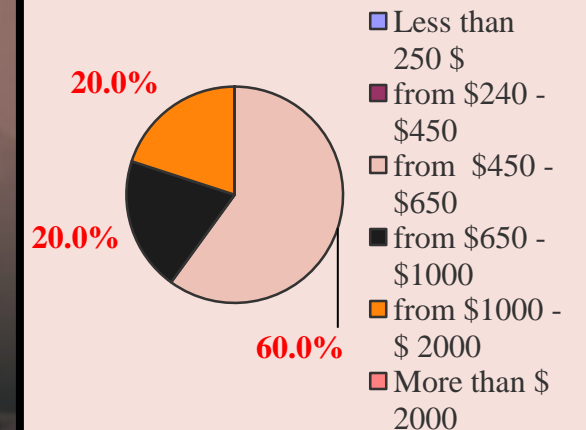

A total number of 131 employers responded to the survey, 12 of whom were from the Chemical Engineering Program. Most of the respondents are employers in non-governmental organizations; also half of the organizations have less than 100 employees.

The employers indicated that they are satisfied with Chemical Engineering Program Educational Objectives (PEOs).
