Introduction

The Quality and Accreditation Unit (ABET center) has recently launched the Employer Survey for 2022 cycle online. The survey has targeted the employers of the Industrial Engineering Program locally and abroad to assess and improve the quality and the intended outcomes of the educational programs, and to involve them with the reviewing process of the Program Educational Objectives, and taking feedback from them about our alumni.

Executive Summary

A total number of 114 employers responded to the survey, 11 of whom were from the Industrial Engineering Program.

55% of the respondents are employers in non-governmental organizations; also 45% of the organizations have less than 100 employees.
