Quality and Accreditation Unit-ABET Center

Introduction

The Quality and Accreditation Unit (ABET centre) launched the Employer Survey 2014 online in February 2014. The survey has targeted the employers of the Mechatronics Engineering Program locally and abroad to assess and improve the quality of the educational programs, and to involve them with the reviewing process of the Program Educational Objectives, and taking feedback from them about our alumni.

Mechatronics Engineering Program

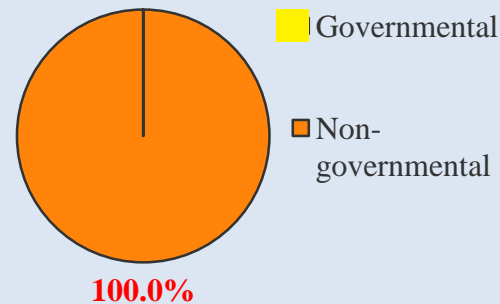

Employer Survey results 2014

Executive summary

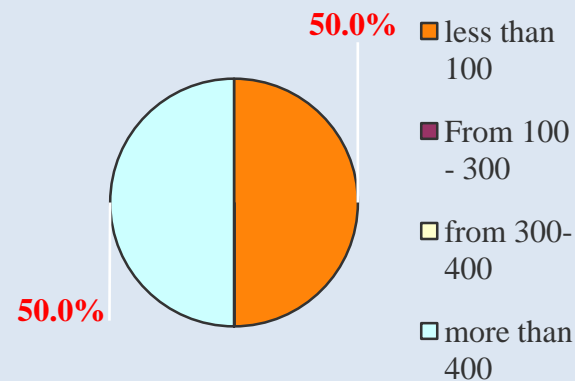

A total number of 131 employers responded to the survey, 4 of whom were from the Mechatronics Engineering Program. all of the respondents are employers in non-governmental organizations; also half of the organizations have less than 100 employees.

The employers indicated that they are satisfied with Mechatronics Engineering Program Educational Objectives (PEOs).
