Alumni Survey Results 2022

For Civil Engineering Program

Introduction

The Quality and Accreditation Unit (ABET center) has recently launched the Alumni Survey for 2022 cycle online. The survey has targeted the Engineering alumni of the Faculty of Engineering and Information Technology at An-Najah National University, who were graduated between 2006 to 2019.

The survey aimed at reviewing the Program Educational Objectives (PEOs) of our Engineering Programs to meet the international standards of Quality according to ABET – EAC Criteria, and taking feedback and information from our Alumni about their employability, career progress, and recent endeavours.

Executive summary

A total number of 296 Engineering Alumni responded to the survey, 36 of them were from the Civil Engineering Program.

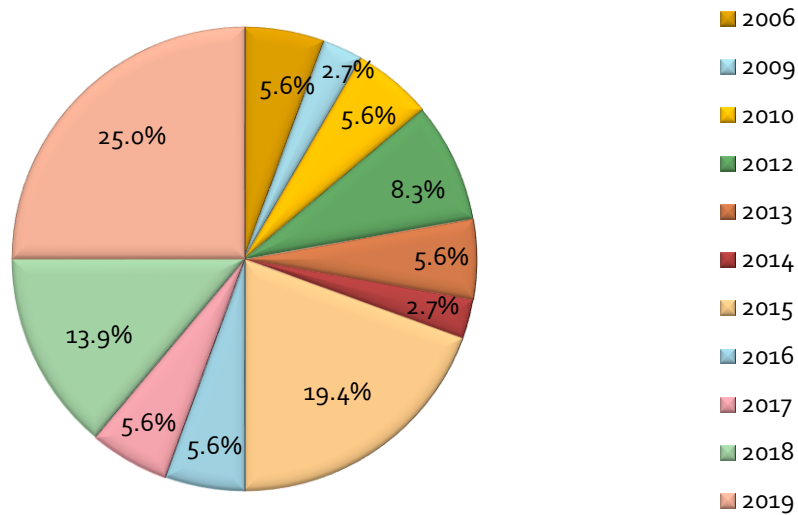

Most of the respondents were among our graduates in the academic years 2015, 2018, and 2019. Also most of the respondents were males.

It's worth mentioning that 26% of the respondents have pursued graduate studies (master and/or PhD) or currently pursuing for it. Moreover, 75% of the respondents are currently employed, with a percentage of 85% work inside Palestine.

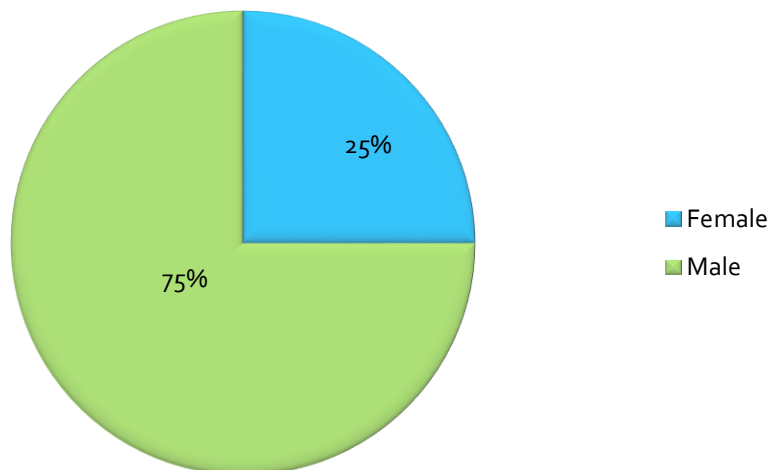

Civil Engineering Program Alumni are employed in various professional positions that are widely spread among the employment sectors. For example, 30% of the Alumni work as Project Engineers, 22% as Site Engineers and 19% as Structural Engineers.
