Faculty of Engineering & Information Technology  
An-Najah National University (NNU)

# Alumni Survey Results 2022

# Introduction

The Quality and Accreditation Unit (ABET centre) has recently launched the Alumni Survey for 2022 cycle online. The survey has targeted the Engineering alumni of the Faculty of Engineering and Information Technology at An-Najah National University, who were graduated between 2006 to 2019.

The survey aimed at reviewing the Program Educational Objectives (PEOs) of the nine Engineering Programs involved in ABET assessment process i.e. Civil, Electrical, Chemical, Industrial, Computer, Mechanical, Mechatronics, Building and Telecommunication Engineering to meet the international standards of Quality according to ABET – EAC Criteria. The survey also aimed at taking feedback and information from our Alumni about their employability, career progression, and recent endeavours.

A total number of 296 Alumni responded to the survey, majority of them (41%) were among our graduates of 2019. It was noticeable from the survey that the employability rate reached 68%, 78.6% of which found their first job within less than a year of graduation, with a percentage of 86% of Alumni work inside Palestine.

- 67 % of respondents graduated between 2016 and 2019.
- 56% male, 44% female.
