Introduction

The Quality and Accreditation Unit (ABET center) has recently launched the Employer Survey for 2018 cycle online. The survey has targeted the employers of the Mechatronics Engineering Program locally and abroad to assess and improve the quality and the intended outcomes of the educational programs, and to involve them with the reviewing process of the Program Educational Objectives, and taking feedback from them about our alumni.

Executive Summary

A total number of 122 employers responded to the survey, 5 of whom were from the Mechatronics Engineering Program.

All of the respondents are employers in non-governmental organizations; also most of the organizations have less than 100 employees.

The employers indicated that they are fairly satisfied with Mechatronics Engineering Program Educational Objectives (PEOs).
